marlon, our friend from brazil

We have five people in my family, my mother, father, sister (20), brother (12), and me (18). My family has lived well with not many problems.

We have lived in Maringa for fourteen years. Now we live in Curitiba. We have been here for the past three years.

Curitiba is the capital of Parana. It is considered one of the better capitals because it is cleaner and there is less crime. It has places for tourists and entertainment.

My friends and I like music. We like Pink Floyd, Led Zepplin, Rolling Stones, and Raul Seixas.

I play the drums, and my best friend plays the guitar. When I go home, my father is buying me a drum set. My friend and I will play together in the bars.

I like Vermont, but I miss my family and friends. I would like to come visit Vermont again.

field hockey varsity

The girls' varsity field hockey team again had a successful season. Led by captains Tammy Landon and Cindy Hughes and coach Sue Curtis, the team had an excellent record. They traveled to Burlington to the state finals. Although giving a tremendous effort, the girls lost their final game.

Because schools are changing from field hockey to soccer, this was Proctor's final season. We look forward to the same kind of winning tradition in soccer as there has been in field hockey.

varsity soccer

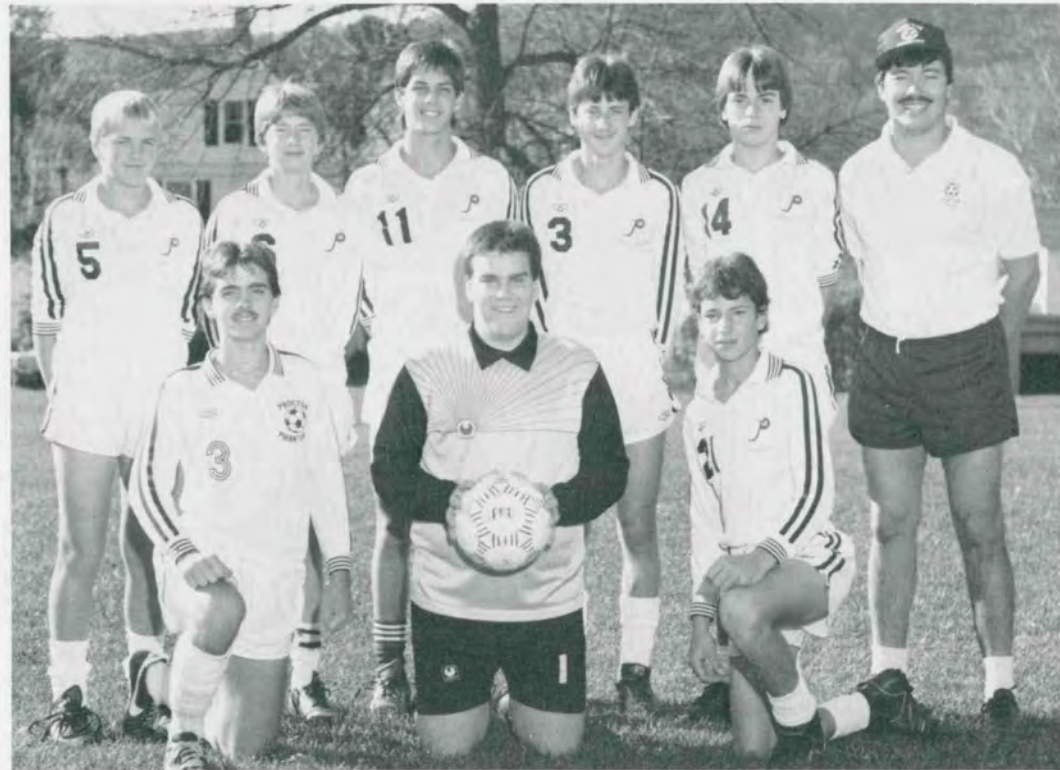

The Phantom's Soccer Team had a fine season under the leadership of new coach Rick Oulette. The team finished with a record of 11-5. The Phantoms lost in the semifinal game on a controversial penalty kick with eleven seconds left in the game.

Proctor also had Andrew Barton, Paul Dahlin, Gig Loso, and Trevor Fox make the All MVL Team. Andrew Barton was also chosen for Twin State.

basketball boys' varsity

The 1988-89 Boys' Varsity Basketball Team took a giant step forward in bringing true Phantom spirit back. The boys won 13 games and had a great season. Our team hosted a playdown game and won that to move on to the state quarter finals only to fall short after a courageous effort.

The team had fun and worked hard. We look forward to next year's basketball season with Coach Fish at the helm.

The Student Council had a productive year. A few of the projects were selling ice cream, giving a donation to paint the gym and to paint "Phantoms" on the gym floor and giving a donation to the yearbook; they have also helped at senior citizen lunches. The Council was very active petitioning to keep P.H.S. open.

national honor society

The Redfield Proctor Chapter of the National Honor Society included three members this year: President Therese Carvey, Secretary Tammy Landon, and Treasurer Wanda Smith. As their annual activity the group continued the Student-of-the-Month Award for Grades 7-10, honoring those students who reflected the qualities of scholarship, leadership, character, and service — the four characteristics of the National Honor Society. Students of the month from Grade 7 were Livia Gershon and Sarah Clifford; from Grade 8, Shannon Jaquith, James Tanner, and Dustin Henderson; from Grade 9, Kristen Winkler and Bethany Curtis; from Grade 10, Krista Hasert and Kobbe Franklin.

At the April 7 induction ceremony three new members were welcomed: senior Sue Smiel and juniors Angela Cucinelli and Tim Elliott. Guest speaker Ted Pendleton provided some words of wisdom, and the Home Economics Department furnished refreshments at the reception immediately following for all members and their parents.

close-up

May 7th-13th was the week for Close-Up in Washington, D.C.; Mr. Orvis and four Proctor High School students attended along with one hundred other Vermonters. They were grouped with students from Puerto Rico, Connecticut, and Michigan. They studied the federal government and toured the city. It was a very informative week.
